Online Bachelor of Computer Science

Auburn University’s online Bachelor of Computer Science (BCS) degree completer program accepts students on a rolling basis. You don’t need to wait long to get started on building your future. Connect with an Admissions Advisor at 334-844-3833 to find out more about the program and the application process.

Application Requirements

- Auburn University Admissions Application
- Minimum GPA of 2.5 (on a 4.0 scale) in all prerequisite courses*
- Official Transcript(s)

  The preferred transcript delivery method is via E-script. E-scripts are considered official and can be sent to auburnonline@auburn.edu.

  Mail transcripts to:
  Admission Processing
  1550 East Glenn Ave., Suite 1210
  Auburn, AL 36849

- Application Fee of $25 (unless waived)

  The application fee is $25, though current or former students of any institution in the Alabama state public system of secondary higher education (community colleges, universities and other public institutions) are not required to pay this fee.

For questions regarding the application process or transcripts, please contact Online Admissions at 334-844-3833.

*Note: A minimum cumulative GPA of 2.5 on a 4.0 scale on all college work attempted and eligibility to re-enter the institution last attended are required to be considered for transfer admission. Transfer applicants who were not eligible for admission to Auburn when they graduated from high school must present a minimum of 30 semester hours of college credit. All transfer students who have attempted 30 semester hours of college work must have earned a cumulative 2.5 GPA in at least 20 semester hours of standard academic courses as required in Auburn University's core curriculum, in addition to the overall 2.5 cumulative average. These 20 semester hours must include at least one course in each of the following areas: English (college-level composition or literature), History, Mathematics--approved core mathematics for articulation and general studies (or its equivalent from other institutions), and Natural Science with a laboratory.
