*Note: A minimum cumulative GPA of 2.5 on a 4.0 scale on all college work attempted and eligibility to re-enter the institution last attended are required to be considered for transfer admission. Transfer applicants who were not eligible for admission to Auburn when they graduated from high school must present a minimum of 30 semester hours of college credit. All transfer students who have attempted 30 semester hours of college work must have earned a cumulative 2.5 GPA in at least 20 semester hours of standard academic courses as required in Auburn University’s core curriculum, in addition to the overall 2.5 cumulative average. These 20 semester hours must include at least one course in each of the following areas: English (college-level composition or literature), History, Mathematics–approved core mathematics for articulation and general studies (or its equivalent from other institutions), and Natural Science with a laboratory.
